**ARMOURED CAR
CONFERENCE**

The Union held an Armoured Car Conference in Toronto June 15th – 16th, 2016.

Angelo DiCaro, National Representative, Research Department, gave a presentation on the As Safe As Our Cargo Campaign to date.

Joel Carr, National Representative, Health and Safety Department, gave a presentation on the CLC Part II Right to Refuse dangerous work under the new legislation.

Anthony Dale, Director, Legal Department, gave a review of case law on two person crews.

Maurice Mills gave a presentation on the National Health and Safety Policy Committee to date.

Two EDSC officers joined us to give an officer's perspective on work refusals.

Jerry Dias, National President of Unifor, gave a speech and did a question and answer session.

Now that Bill C-285, the National Standards for the Transport of Currency and Valuables Act, has received First Reading in the House of Commons, we will take action to drum up support for the bill.

We will get the ear of government by lobbying MP's and have petitions signed not only from within the industry, but also by people outside of our industry.
